

School Notices

We wish everyone a happy and healthy holiday. We will see you all back on Tuesday 1st May!

Busy Bee

On Sunday 29th April 2:00pm the P&C is asking for volunteers please to help distribute new mulch for the nature play area at Kensington Primary School. The mulch is needed to keep the kids safe if they fall off the playground.

For the day we'll need extra wheelbarrows, shovels & rakes if you have them.

If you can help out can you please contact Chris Muir at chrismuir@gmail.com.

Keep Kensington PS Safe

Over the last month we have had some vandalism in the senior block and the early childhood area.

As many of you live nearby, I ask that you keep an eye on the grounds for us: listen for unusual noises; look for suspicious vehicles parked at the school and notice if groups of children or teenagers are congregating around the school. Your involvement can really make a difference in preventing damage to our school. I urge you to report any suspicious activity immediately to:

SCHOOL WATCH – 1800 177 777 or

POLICE – 131 444

Term Planner

We will be emailing a copy of the Term 2 planner to everyone the first week back next term. Please keep an eye out for this. It will also come out as a notification on the app and will be placed on the website too.

Never Stop Reading!

In the last newsletter we informed you about the value of reading to your child. The Department of Education is also promoting this idea, so we have been asked to provide the following to you:

Never stop reading to your child, even when they can read for themselves!

Reading is a fundamental skill your child will use for the rest of their life – so why stop when they're just getting started?

Building a love of reading in your child by reading aloud at home strengthens their language, vocabulary and comprehension skills, and improves their social skills and confidence as you listen to them read.

The quality time you will also spend with your child raises their mood and sense of wellbeing, and creates those special moments you and they will always cherish.

Build a love of reading in your child and give them the best start for a life of learning and discovery.

Find out more at education.wa.edu.au/neverstopreading.

Check out this video [Never Stop Reading! video](#) and the attached poster.
