

**Kensington
Primary School
P & C Association**

MINUTES:	General Meeting	SECRETARY:	Nicole Austin	DATE:	2 May 2017
				TIME:	7.30pm – 9:17pm
PRESENT:	Chair: Samantha Thompson (President); Bronwyn Jones, Tanya Steers, Nicole Austin, Marlena Burling, Susan Henwood, Alana Arnold, Rebecca Watson, Melanie Noid, Fiona Tolhurst, Jo Alexander, Chris Muir, Lara Parsons, Alison Wallace				
APOLOGIES:	J Brittain, S Rose				

TOPIC DISCUSSED	DISCUSSION	ACTIONS TO BE TAKEN
Confirmation of Previous Minutes of meeting held 21 st March, 2017	Motion: That the Minutes as circulated be accepted as an accurate record of the meeting. Moved: Tanya Steers Seconded: Lara Parsons	
Items from action list:		
	The status of all action items arising from past minutes was discussed – see Annexure A	
Principal’s Report and Questions on Notice		
	Report provided and attached - see Annexure B The undercover area is being considered as an option to provide onsite out-of-school hours (“OSH”) care. It would need 2 roller doors to enclose and secure the area with use of the demo kitchen and supervised toilet visits. An OSH provider would supply the heaters/fans depending on climate requirements. The area would be able to accommodate up to 60 places. There would be an impact to the before school drop-off location from 8.15am.	

Office Bearer Reports:		
Treasurer's Report	Report provided – See Annexure C As at end of April, Year 6 have raised \$3,907.84, and the P&C have raised \$7,658.51. It was discussed that the 5c jars fundraiser was not cost effective for the profit made given the time to count and process the coins into the P&C's Bank Account.	
Fundraising	No report. The Scitech event is on 19 May. Numbers will be limited to 300 people. Online ordering for pizza deliveries will be available soon.	
Grounds and Facilities	Report provided – see Annexure D Unanimous support was given for Chris to pursue the Bird Boxes project. Chris would need to confirm with the school which trees would be most suitable to host the boxes.	Chris to email Nicole the list of volunteers that helped with the mulch busy bee so as to acknowledge them in the school's newsletter. Nicole to co-ordinate volunteers from the P&C to clean out the P&C store room next to Raema's office. Chris to seek a parent volunteer to identify with Mr Roley if there is reticulation infrastructure in the Banksia Terrace garden beds.
Book Club and Library	Scholastic Catalogues were sent out last Friday.	
Memorabilia	No report.	
Music	Report provided – See Annexure E	.
School Banking	No report.	
Uniforms	Report provided – See Annexure F The P&C need to actively recruit a parent volunteer to take over from Jenny Brittain next year. Ideally the new person would be available from Term 3, at the latest this year (to view the summer order process) and transition into the new role.	All P&C members to ask if anyone is interested in taking on the Uniform role in 2018. Jenny to write a brief note for the

	Old yellow school shirts are being collected at the uniform shop on Thursday mornings to be sent to needy children in Africa.	newsletter outlining the role.
School Board Rep	<p>Report provided – See Annexure G</p> <p>Since the School has become an Independent Public School, the School Council has transitioned into a School Board, and its charter and responsibilities have changed. Lara is trying to clarify the relationship between the School, the Board and the P&C to ensure all parties are working in alignment to best achieve the school's goals and Business Plan targets.</p> <p>The P&C need to consider how Wish List items support the school's strategic priorities and a suggestion was made to combine the Board and P&C meeting at the AGM next year.</p>	Lara to create a single-page summary of the Business Plan (and diagram of KPS / Board / P&C structures & responsibilities) to share with the school community.
DUCKS	Report provided – See Annexure H	
Sport	No report.	
Year 6	<p>Report provided – See Annexure I</p> <p>Jo shared the concerns from many Year 6 parents in hosting the Pop-Up Bar event in October. The P&C has re-allocated the hosting responsibilities and Mel Tibbitts will liaise with Jo regarding possible alternatives.</p> <p>A lengthy discussion ensued regarding why there seemed to be increased anxiety from both staff and parents this year over the need for Year 6 to do so much fundraising. The Year 6 committee has been very passionate, proactive and successful in their organisation so far, with more formal parameters to satisfy compliance than in previous years. Members of the P&C expressed their concerns at the level of fundraising at school dedicated solely to Year 6. Information was shared concerning historic precedents, the current expectations, and compliance issues.</p> <p>It was also discussed that the end of year gift to the school does not need to be expensive, and may not even be a physical gift. Service to the school, eg running the School Disco, a gardening busy bee or a painting service could be considered as alternatives / co-gifts. Should a physical gift be preferred, anything in the range of \$200-\$500 would be gratefully received by the school. The following ideas were discussed as possible gift options:</p> <ul style="list-style-type: none"> • Outdoor seating area/benches in the senior area; 	Jo to talk to Mel Tibbitts re: alternatives for their role in 2017 P&C general fundraising, if deemed necessary.

	<ul style="list-style-type: none"> • Kensington banners on a lectern and/or music stands • A lectern <p>Due to the timing of the Year 6 camp and the next scheduled P&C meeting, a motion was raised to allocate the Year 6 funds from the P&C to the school in time to calculate the final parent camp payment.</p> <p>Motion: That the P&C support the allocation of \$3,500 raised by the Year 6 committee to support the Year 6 camp.</p> <p>Moved: Rebecca Watson, Seconded: Nicole Austin.</p> <p>Approved by the meeting on a show of hands</p> <p>It is recommended that further fundraising by the Year 6 committee focus on the yearbooks and gift projects, and that the committee should consider what their total \$ target is, to facilitate their planning.</p> <p>The committee intends to “hand over” to the current year 5 parent group in Term 4. KPS Admin will provide information (camp costs, numbers for 2018 etc) to aid the transition, and set goals.</p>	
Correspondence:		
	<p>There is currently no parent running the “Money for Jam” program which encourages the school community to support local businesses who donate a portion of their cost price to the school when the customer mentions KPS. If any parent would like to take over the running of this program for the school, please contact kensingtonpandc@gmail.com</p>	<p>Nicole to create a note for the newsletter advertising all of the vacancies that the P&C are looking to fill.</p>
General Business:		
	Meeting closed at 9:17pm.	
Any Other Business:		
NEXT MEETING:	General Meeting 13th June 2017	

Action List (ANNEXURE A)

Nicole Austin

P&C Rolling Action Item list								
Item No	Description	Priority	Responsible person	Date opened	Date due	Status	Notes	Date closed
1	Continue to monitor WACSSO position on amending P&C constitution and update the constitution when appropriate	Medium	Secretary	1-Jul-16	1-Jul-19	Active	Dept of Commerce information	
3	Grounds committee and school to manage the cracked slide	High	Grounds			Active	Chris to co-ordinate a working bee with the DUCKS to install the replacement slide.	
5	Address network/internet requirements to run the uniform shop noting that the school can only provide internet access to staff and students	Low	Uniform			Closed	Decision to wait until new Uniform person starts next year and decides their preferred process	2/05/2017
6	Register of netball and before/after school teams training at KPS to be created	Medium	Sport	21.3.17		Closed	Complete	2/05/2017
7	Review whether students from other schools playing in the KPS teams are covered by the P&C's insurance policy.	Medium	Sport	21.3.17		Closed	So long as students from other schools pay their \$1 membership fee to KPS P&C, they are covered	2/05/2017
8	Disco process overview and profitability	Medium	Music	21.3.17		Active		
9	Nicole to confirm who would pay for the speaker for the Protective Behaviours Workshops.	Medium	Secretary	21.3.17		Closed	COSP will pay for speaker but need to confirm next yr budget to see how many they can run prior to confirming	2/05/2017
10	Advertise fossil bed in Naturescape playground to all teachers and organise to display the larger fossils also donated to the school	Low	Principal	21.3.17		Active		
11	Parent has volunteered plumber services if required. Bronwyn to confirm if required	High	Principal	21.3.17		Active		
12	Bronwyn & Alison Wallace to progress options for Homework Club location	High	Principal	21.3.17		Active		
13	Nicole to update the TOR to ensure EACH Year 6 class has a representative on the sub-committee.	Low	Secretary	21.3.17		Closed	2.1 (a) Not more than 4 members (representing each Year 6 class) one of whom should be a financial member of the KPS P&C.	2/05/2017
14	Jo Alexander to diarise hand-over/expectations meeting for Yr 6 (in collaboration with Bronwyn) to determine Up Front Contribution & Charges for 2018	Low	Year 6	21.3.17		Active	ETA Term 3/4	
15	Nicole to update 2018 Wish List with a request for funding of the Yr 6 camp.	Low	Secretary	21.3.17		Closed	Yr 6 fundraising/camp/year book \$1,000	2/05/2017
16	Bronwyn to finalise attendance to Yr 6 camp and expected cost.	Low	Principal	21.3.17		Active	Deposit \$100, still awaiting confirmation (approx \$395 total)	
17	Evelyn to investigate Year 6 reciprocal hosting requirements for the social dance (ie given Year 5 host morning tea for the Year 6 Graduation).	Low	Evelyn	21.3.17		Active		
18	Bronwyn to follow up the cash prize on offer for the 5 cent jar fundraising activity. Is it a P&C or school initiated activity?	High	Principal	21.3.17		Closed	\$50 voucher prize confirmed with Sue Miller. \$369.40 raised for Year 6	2/05/2017
19	To call for parent volunteers to install 2 netball posts during the school holidays to avoid the \$480 installation cost to the school.	High	Treasurer	21.3.17		Active	Matt Allen has volunteered concrete and expertise in installation. Waiting on delivery of posts	

Principal's Report (ANNEXURE B)

Bronwyn Jones

Year 6 Leadership Conference

The Year 6 children will be presented with their leadership pins at tomorrow's assembly. Their leadership role will be announced then too. I wish to thank the P&C for their support of this initiative.

Strengths Based Schools

Sue Millar, Terence Pestana and I attended a professional learning day on Strengths Based Schools earlier this year. On the School Development Day we introduced, briefly, the staff to this concept. Strengths are the things you are good at (or could be good at, given the chance) and for which you are passionate; things that energise you and really hold your interest. The idea of Strength Based Schools is to focus on developing students strengths, while still ensuring they meet the minimum (or higher) requirements of the whole curriculum. We feel this makes sense, as we do not want to have students spending 5 hours a day in classrooms focussing on their weaknesses as, when students seek careers and hobbies, they will undoubtedly not seek things they are not good at or passionate about to devote their adult lives to.

Furthermore, strengths are where the real opportunities for development occur. So, we are not saying that we won't be focusing on ensuring students develop the necessary life skills, but we do want to encourage children to identify and develop their strengths too, as we feel this is where the real spark for learning can be fanned into a flame. You can support your child and their teacher by ensuring they are aware of these strengths.

NAPLAN

As you are probably aware, the Year 3s and 5s will start NAPLAN testing next week. While some schools were to pilot the online format this year, we never intended to do so. We will remain with the paper and pencil tests until next year, when we will be involved in the online trial. NAPLAN will formally move to online assessment for everyone in 2019. As you may be aware, NAPLAN constitutes one of tests in Reading, Writing, Spelling, Grammar & Punctuation and Numeracy in Years 3 and 5 annually. While the evidence garnered from NAPLAN is strong with large groups, such as across the state or the nation, the evidence weakens with smaller groups, such as schools and individuals due to the margins of error increasing as the groups decrease in size. They are, therefore, not a good measure alone of our school or of our individual student's ability. They must be read in conjunction with other data collected at the school. One bad result in NAPLAN doesn't mean there is a major problem. We need to look at this result in the context of our other data as well as take into account any cohort variations. We then may use the data to identify and prompt a line of inquiry to follow up. Over time, if the data shows ongoing issues, we take that information much more seriously.

We collect data from student reports as well as other standardised tests and teacher judgements on common assessment tasks to bolster our evidence for student achievement. This is why we are working with Brightpath for writing assessment, why we collect classroom data like that found in Decode & Encode, why we instituted Year 1-6 maths testing using PAT-M online at the start of the year and will do likewise at the end of the year for reading using PAT-R online. The teachers also develop, administer and mark common assessment tasks for each year level, to ensure consistent judgements across the year levels. This sort of information will be included in our DES review in August.

Student and Teacher Voice – Surveys

I am very interested in ensuring we get feedback from students as to how we can improve their learning experience and daily life at the school. I am also interested in ensuring staff feel that they can give me feedback in order to improve both my leadership and the school. To this purpose, this term the Year 4-6 cohort of students will be surveyed about how they feel about the climate of the classroom and the school. The WHITS survey will ask students about the school climate (connectedness, support, diversity, rule clarity and getting help), along with issues related to agency (wellbeing and social and emotional aspects of school life) and risk factors such as bullying and behaviour. The second survey, the Classroom Climate Questionnaire (CCQ), asks students about their learning environment, including relationships, assessment and delivery of curriculum as well as student motivation and engagement. The information from WHITS will be used by the school to gauge how we are travelling as well as plan for improvement. The teachers will use the CCQ information in the same way and see what they can do to improve any aspects of their classroom practice and learning environment, before we repeat the survey process. This will tell us whether any strategies we employed were useful. In the same way I will be surveying the staff to look at the school

organisational climate including staff wellbeing. This information too will be used to improve the school and to feed into the next school Business Plan which will be developed at the end of this year.

Homework Club

During the last P&C meeting I explained that we had been investigated by DoE's Strategic Contracts and Procurement section, with particular regard to the Homework Club. Apparently a member of the community mentioned this program in passing to a friend who works in that department, so he started to investigate this with us. We were informed that schools were using the wrong documents when entering into agreements with groups wishing to use school facilities. While we had been using Community Use Agreements (as has every other school from what I have been able to ascertain) we should, in most cases, apparently, complete a Deed of License instead. During this process, we undertook a risk management appraisal and realised that certain risks, which the department found untenable, needed to be addressed. Initially we had thought that we could leave the new documentation until the end of the current Community Use agreement, but the DoE was unwilling for this to occur in the case of the Homework Club. We tried to renegotiate with the Homework Club to address the risk management issues but the Homework Club did not feel the required changes would be financially viable. We therefore, negotiated to continue the program for a month (which ends on 10th May) to enable parents to make alternative arrangements. This was not the outcome we were seeking but it was the best we could manage.

Last term I began working with other out of school hours care groups to see what we needed to do to enable an OSH group to run from the school. I am working with Mel Lindegger to complete work on enclosing the undercover area to provide a venue for this. While there aren't major alterations required to make this space tenable, as with anything to do with government sites, it will take a little bit of time to sort this out. The site will then need to be inspected before an OSH group can apply to have the Department of Community and Local Government accept the Deed of License and complete other paperwork. This paperwork process could take an additional 3 months. So OSH group could not run at the school any earlier than Term 4 this year. While that is disappointing, we are much nearer to having onsite care than we ever have been before.

As I intimated during the last meeting, we had considered putting a transportable on site for this purpose, but this is much more expensive and DoE practice would mean that it would immediately become the property of the department and could be taken to use for another site, if the department deemed it necessary. I believe that the current proposal, to use the undercover area, would be much safer and much quicker to get underway, not to mention much less expensive.

The P&C might like to consider if they could contribute to the cost of the undercover area upgrade. More details to follow.

Netball Accident Insurance

During my meeting with the DoE about all community and commercial uses of the school site, the netball club came up in conversation. While I know you have liability insurance, I wondered if you had investigated accident insurance. I realise that often the user pays rule applies, but just wanted to raise the issue for you to either allay any concerns or investigate further. I corresponded with Alison about this last term and she knows you are aware that WACSSO's insurer doesn't provide this insurance and that steps may have been taken to ensure that the participants' parents were aware of this. I would appreciate an update on this, if possible.

Also, we have been approached today by a parent asking us to allow a Year 1 netball training before or after school on site. Is this part of the P&C netball group?

Thanks
Bronwyn Jones
Principal

Grounds & Facilities (ANNEXURE D)

Chris Muir

Completed activities:

8 council truckloads of mulch delivered Friday 21st to the Nature Play area and was "dug-in" Sunday 23rd by our kind volunteer team during a busy bee. Unfortunately COSP management was hesitant to deliver more mulch worried about their staff's work load, however the COSP ground staff on the day were happy to deliver. About 80% of the area was covered, so total of 10 truckloads would have been about enough. Will let it rest for a few weeks then bug COSP management again to get some last mulch to finish the job.

Could the P&C acknowledge the volunteer help via the next school newsletter please?: Brad Clarke, Nicole Lynch, David Pascoe, Jennifer & Shane Young. Also City of South Perth for the mulch and their staff's help.

Lara Parsons, Allison Wallace & Nicole Austin emptied to the P&C shed during the holidays - 3 loads to the tip.

Outstanding & upcoming work:

- Replace slide in nature play ground
- Ms Skinner has asked for help shifting mulch top of oval to garden
- Complete tidy up P&C shed .. some larger items to move
- General weeding and tidy up is required behind music block
- Mr Rowley has asked for help in summer holidays to water plants on Banksia Tce side of the school, its taking substantial time and not leaving time for other work

Suggested project:

Lathlain has recently installed tree bird boxes in order to assist the local struggling Carnaby Parrot & bird population. The project was assisted by the local Men's Shed, Vic Park Urban Tree Network, the local council for funding, a qualified arborist and local community leaders.

Following the theme of the KPS *Nature* Playground, I'm hoping to run a similar side project to do the same at the school. Goal is to do this with little to no impact on the school & its resources. There's obviously some planning to go into this, however having reached out to the local Men's Shed, they are willing to explore the idea of building the boxes, and as a community building exercise may be able to provide other build & fix-it type services for the school. I can run this by Ms Jones to seek the school's support in the next week.

Music (ANNEXURE E)

Marlena Burling

The School Band performed at Mill Point Fresh Music & Munch on 2 April. It was a lovely afternoon and well patronised by KPS families. Mrs Dewing was delighted with the quality of the playing as well as the outstanding behaviour of all of the children.

The Anzac Day ceremony was also very successful and the senior choir and band performed beautifully.

Work continues for the Mass Choir event and the band will be considering new items this term to add to their repertoire.

Year 5 SIMS students are encouraged to join the band this term once they have mastered an octave of music. They are welcome to sit in on rehearsals and practice their fingering until they are confident to play.

Uniforms (ANNEXURE F)

Jenny Brittain

Overview Since Last Meeting

Winter uniform orders have arrived/been delivered. The polar fleece jackets are embroidered and are now in the shop. Plenty of school polos (esp. sizes 8 & 10), tracksuits/flares, sports jackets and faction shirts.

The kindy t-shirt was approved by the board, with a request for the logo to be as large as possible (circular logo with the banksia). Order forms for kindy parents will go out some this term (if we can get a min. order – 30 t-shirts – otherwise wait until the end of the year). Supplier has prepared logo as requested (just subject to getting Bronwyn's approval).

Issues Currently Requiring Discussion

The next order will be in October (summer order). It would be good to have a co-ordinator for next year so that they can be shown how the ordering is done. Is anyone on the P&C able to do this role next year? Otherwise could it please be mentioned at an assembly/note for the newsletter?

School Board (ANNEXURE G)

Lara Parsons

The Board approved the Annual Report which Bronwyn, Belinda and Lisa Williamson spent considerable time preparing. The report summarises the school's activities over the past year, talks about its strategic priorities, targets, academic performance and general issues.

Della presented the Student Centre Funding Budget for 2017. On the basis of what we were provided, the Board endorsed the 2017 Budget, however it was discussed that in future, there needs to be further clarification as to how the budget supports the school's Business Plan (eg an Executive Summary).

The school will not be renewing their contract with The Homework Club after the end of Term 1. Belinda Moharich, Alison Wallace and Bronwyn have spent considerable time and effort investigating alternative on-site before and after school care facilities and a proposal is currently being considered to modify the underground area to make it viable for hosting this service. It was discussed whether the P&C would donate some of its contingency and future fund monies to this purpose.

Following the expiry of board members terms, the current Board is comprised of: Belinda Moharich (Chair), Bronwyn Jones (Principal), Alicia Taylor, Rhonda Skinner, Megan Mehnert, Debb Dellar, Lara Parsons, Susan Lees, Karen Mahar, Jeremy Hogben, Nicole Austin, Donatella Giansante, Pharyn Thompson.

All positions were declared vacant and Belinda nominated for the role of Chair again and was unanimously supported in this role. Jeremy Hogben is the Vice President. Unfortunately nobody nominated for the role of Secretary, however we are very much hoping somebody will step up this term into the position.

DUCKS (ANNEXURE H)

Dave Mundy

WAFL footy day was fun. No rain for the first time for this event! Pretty low turnout of 4-5 dads and kids. Probably affected by being the first weekend of school holidays.

Indoor Rock climbing Saturday May 13th 2.30pm at The Hangout in Bayswater. All Dads, uncles, grandfathers and kids welcome. Kids years 4years+ can climb. Sausage Sizzle afterwards.

Year 6 (ANNEXURE I)

Jo Alexander

Overview:

Year 6 Sub-committee have in recent weeks undertaken the following:

- Movie Night Fundraiser
- Subway Lunch Orders
- Easter raffle
- Bunnings BBQ

The tally to date is approx. \$4400

Identifying issues

1. Year 6 Sub-committee would like to share their concerns with the Parent Social scheduled for Friday 20th October
2. Fundraising ideas for Term 2
3. End of Year school gift for discussion

Draft awaiting consent
