

Kensington Primary School P & C Association

I have pleasure in detailing the Kensington Primary P&C's fundraising calendar for 2018. I hope this is a good way of letting all the parents know in advance what is coming up in the events calendar for this year, and also a heads up of what help the fundraising committee will need from the parents.

Your class reps will coordinate the class rooms when your help is required. Please rest assured the P&C fundraising committee provide support to all the events – we just need parents from classes to help organise and run the events. Shannon Kynaston, the Fundraising representative for the P&C, along with Kris Kotua, Louise Flaherty and Sarah Johnston make up your Fund raising team for this year. We will be in touch with class reps with more info as needed.

Kind regards

Shannon Kynaston - P&C Fundraising Representative

Request for Mothers Day Raffle

Need an excuse to clean out your re-gifting cupboard over Easter? Any unused beauty products or uneaten chocolate (as if!) you might like to donate?

We are asking for donations to make up the Mothers Day Hamper that shall be raffled off and drawn on Thursday the 10th May. This is being organized by room 10, and a basket shall be placed outside room 10 in the weeks after Easter to collect all donations.

The raffle tickets shall be sent home with the kids early term 2.

Thank you in advance
