Workshops for parents and carers

Term One 2018:

1. Boys & Adolescence:

For parents & carers of children aged 8-17 years.

Parenting adolescent boys can be a challenging experience. It is a time of social and emotional changes for them, and for parents who must re-learn how to parent an adolescent boy. Some parents can find it tempting to relax boundaries and let their son have the freedom and independence they demand. This introductory course aims to provide parents an understanding of the challenge of adolescence boys, and effective strategies to assist in supporting both parent and son.
