Kensington Primary School SUMMER Uniform Order 2017

- There is a new tracksuit approved by the School Board (photo on website & Facebook) . It is an update on the current sports jacket and has tracksuit pants to match (unisex). There is a zip at the bottom of the pants to make it easier to get on/off over shoes.
- Year 5 parents please order graduation polos and try on sample polo to check size if necessary as it is a new polo.
- There will be no further orders of the older style skorts, cargo pants and cargo shorts. There are some sizes left of these in the uniform shop if you would like to buy them.
- Photos of uniform range can be found on the school website.
- Unsure of sizes? Have your child come and try on items on a Thursday morning from 8.20 – 8.50am in the music room.
- We can't give change for orders, so any additional monies are kept as a donation to the KPS P&C Association. Uniform prices include GST.
